**PLANTS**

BROAD STREET, Near Allwood Road

Clifton R. D. No. 1      'Phone Passaic 2-7811

**RICHFIELD, N. J.**

A very cordial invitation is extended  
to all interested to visit our Rock  
Garden, designed and constructed  
by

RALPH HANCOCK,  
Upper Montclair, N. J.

This price list does not cover everything I grow, but only such stock as I have to offer in quantity. I have been adding a number of the choicest plants from European Nurseries, which I will offer as soon as stock is available.

**SHIPPING FACILITIES:** All plants are forwarded by Express or Parcel Post, the purchaser paying charges. I make no deliveries. For Parcel Post Charges, add ten per cent. extra, to all orders East of the Mississippi and twenty per cent. west of the Mississippi.

**REMITTANCES:** Should be made by Post Office Money Order, Express Money Orders or drafts on New York Banks. Please send sufficient money with order to cover the whole bill. I decline to send plants collect on Delivery, and disclaim all responsibility when remittances are not made as above directed. A convenient method of remitting for small accounts is in one and two cent postage stamps. Money should not be sent by mail.

**PACKING:** No charge is made for packing when cash accompanies the order.

**HOW TO REACH NURSERY:** Express Buses from Paterson to Newark pass the Nursery every twenty minutes. **Bus No. 128** starts from Public Service Terminal in Newark, and corner Clark and Market Streets in Paterson.

**TERMS:** Strictly Cash.

While I may exert the greatest care to have everything true to name I will not assume any responsibility for errors that may occur other than to replace any stock that may prove untrue.

Faithfully yours,

GEORGE L. EHRLE
